**LETTER OF APPRECIATION  
TANJUNG BIN 4 1000MW CFPP PROJECT  
MALAYSIA**

Attention: Mr. Ngooi Swee Woon  
Managing Director  
Equator Engineering Sdn. Bhd.

GE Power Malaysia, hereby express our appreciation and congratulations for the excellent contribution and effort given by EQUATOR ENGINEERING SDN. BHD. for the ELECTRICAL AND I&C ERECTION WORKS (WORK PACKAGE W21) Subcontract No. 4100627078 on GE Power Malaysia TANJUNG BIN 4 Project, Coal Fired Power Plant 1000MW from April 2014 and have extended the utmost support to assist on the achievement of Provisional Acceptance Certificate (PAC) successfully on March 2016.

With your well organized planning, dedicated pro-active approach towards the continuous phase of the project, the Electrical and I&C Erection Works successfully achieved all the construction milestones target in safety and commendable timely manner.

This performance of Equator Engineering Sdn. Bhd. has been appreciated by our management and we wish Equator Engineering Sdn. Bhd. all the success in the future endeavours.

This letter is being issued on 31 of March 2016.

Yours faithfully,

**Juan A. Bortot**  
Consortium Site Director  
Construction & Commissioning
